Description

Contemporary outdoor square dining table collection. Brunch and dine outdoors in style with the Ethimo Knit Square Dining Table.

Inspired by Scandic minimalism and the relaxed aesthetic of Italian outdoor spaces, Knit is the perfect complement for outdoors. Featuring a clean line design, the table features a slatted wood square table top with rounded corners and angular wooden table legs. Hand sculpted from teak wood in a choice of natural teak or black painted mahogany finishes, each table features a protective weather-resistant lacquered finish.

Combing with outdoor garden dining chairs to create a complete dining arrangement for balcony or patio settings. This product is weather-resistant and should be sheltered indoors during extreme adverse weather and hard winters. Ethimo sell weatherproof dining table rain covers separately for added protection - contact our customer service team for more information.
