Description

Aluminium outdoor lounge armchair in a choice of colours. Embrace the light contemporaneity of the Ethimo Ocean Lounge Armchair. Lovely for extending your interior style outdoors, this stylish outdoor lounge armchair features an ergonomic design and refined metal appearance. Sculpted from rust-resistant aluminium, the chair is strong yet lightweight, easy to move from A-to-B. The perfect accompaniment for classic and contemporary spaces, the curving slated back rest and seat encourage a minimalist aesthetic in your al fresco design scheme. Free-flowing with a seamless appearance, the curving armrests and tapered chair legs complete the aesthetic, available in a choice of epoxy powder coated painted finishes - ideal for a gentle introduction of colour at your next stylish soiree. Combine with an Ethimo outdoor dining table from the Ethimo designer outdoor furniture collection to complete the look in style. Maintain the powder coated aluminium by sheltering your armchair indoors during adverse weather conditions and hard winters. This product is weather-resistant, completely solvent-free and 99% recyclable. Approximate net product weight: 7kg
