Description

Protective waterproof rain cover for the Ethimo Swing Porch Swing. Protect the luxury aesthetic of your Ethimo Swing Porch Swing with the Ethimo Rain Cover.

Created by Italian outdoor experts, this reliable polyester rain cover features a protective 100% waterproof layer of PVC, offering peace of mind when the weather strikes.

Resistant to UV rays and adverse weather conditions, each seam is treated with an innovative waterproof membrane to stop the elements from making contact with your furniture underneath.

Created specifically for the Ethimo Swing Porch Swing, the rain cover is complete with mould-preventing ventilation air intakes and easy open/close adjustable drawstring.

Please note: Price is for rain cover only. Ethimo Swing Porch Swing is sold separately here.
