Description

Waterproof rain cover for the Ethimo Costes Sofa Corner Module. Protect your luxury Ethimo modular furniture all year round with the Ethimo Costes Sofa Corner Module Rain Cover. Created by the Italian outdoor experts at Ethimo, this dependable rain cover features a protective blend of polyester and a 100% waterproof layer of PVC. Completely resistant to UV rays and adverse weather conditions, each seam is also carefully considered, treated with an innovative waterproof membrane to stop the elements from making contact with the contents below. Designed specifically for the Ethimo Costes Sofa Corner Module, the design is completed with ventilation air intakes to promote breathability and prevent mould and an easily adjusted drawstring closure. Please note: Price is for rain cover only. Ethimo Costes Sofa Corner Module is sold separately.
