Description

Grey painted pickled teak outdoor dining armchair.
Celebrate the modern minimalism of the Ethimo Costes Dining Armchair Pickled Teak.
Skilfully crafted from high quality grey painted pickled teak, this contemporary wooden dining armchair is the perfect accompaniment for al fresco entertaining.
Embracing a clean-line design, the chair features beautiful tapered chair legs and comfortable angular arms.
The design is complete with a slatted seat and comfortable two slat back rest.
Over time the grey finish takes on a natural silver grey patina which develops as the table ages adding extra character - to delay this process cover with an Ethimo rain cover (sold separately by our customer service team) after use.
Accent your outdoor space with a complementing designer dining table from the Houseology Ethimo collection to complete your aesthetic in style.
Seat pad: Each cushion seat pad which is made from a showerproof blend of breatheable synthetic material fibres which should be returned indoors after use.
Wood: The wood features a protective weather resistant coating which is designed to repel humidity, UV rays and water.
We recommend during adverse weather and hard winters to shelter Ethimo furniture indoors and protect during rainfall with a weatherproof Ethimo rain cover - sold separately via our customer service team.
Approximate net product weight: 10kg
Each chair includes 1x cushioned seat pad.
