Description

Tobacco leather dining chair with wooden legs.
Channel designer style into your entertaining space with the Eichholtz Barnes Dining Chair Tobacco.
Inspired by old world glamour and antique dining chairs of the 1930s, this elegant designer addition is the perfect remedy to accent your dining table and inject warmth into your space.
Sculpted by skilled artisans with a classic appearance, Barnes is upholstered in a warm Tobacco brown leather finish and accented with antique brown chair legs which gently curve at the rear.
Accent with a designer dining table from the Houseology designer homeware collection to complete your aesthetic in style.
Please note: Due to the artisan production process and materials used, no two items are exactly alike making this a unique statement for your interior design scheme.
