Description

Steel and cement luxury Glammfire outdoor fire pit with modular bench seating.

Entertain into the early hours in style with the captivating Zarzuela Fire Pit by Glammfire.

A convivial focal point with three industrial steel benches, this designer fire pit is the perfect accent for your outdoor living space.

Made to endure, it is circular in shape with a charcoal/firewood burning fuel compartment and central pit surrounded by robust cement.

Metallic handles on the fuel compartment make emptying and cleaning easy as a protection cover completes the look in style.

Each bench tucks nicely away to create a sleek aesthetic when the fire pit is not in use.

Features:

- Stainless steel protection cover is included
- Includes 3x industrial curved steel benches
- Internal bench storage compartments for storing wood
- Round cement structure surrounds the central fuel/fire pit
- Fuel source: Firewood/Charcoal
- Metallic handles make cleaning fuel compartment easy
- Instruction manual included
- Approximate Weight: 500 kg
