Description

Ombre-toned designer rug from Designers Guild.
Accent the beauty of your interior design scheme with the Designers Guild
Eberson Slate Rug XL.

Inspired by traditional handmade production techniques, this beautiful
designer rug is woven from 100% viscose on a broadloom- available in a
choice of captivating colourways.

Skilfully crafted by rug artisans in India, the rug is then dried in the sun
which gives the yarns a bespoke and unique lustre appearance.

Adorned in tones of glistening platinum and grey, or aqua blue and slate
grey, each rug guarantees an interior intensity and will accent wonderfully
with complementing designer cushions and throws from the Houseology
Designers Guild collection.

Please note: Artisan crafted, the appearance of each rug is distinctively
unique every time.
