Description

Ethimo outdoor upholstered rectangular scatter cushion. Add the final flourishes to your outdoor furniture arrangement with the Ethimo Design Rectangular Cushion collection. Lovely scattered on your patio sofa or placed alone on your outdoor lounge armchair, this contemporary rectangular shaped cushion is made from a synthetic breatheable showerproof fabric. Available in a choice of signature Ethimo colourways, this outdoor cushion is made from a removable acrylic sham with comfortable cushion pad inner. Practical as well as stylish it has been treated to resist UV rays and repel water, stains, mould and atmospheric chemicals. Combine with contemporary outdoor furniture from the Houseology Ethimo collection to complete the look in style. Please note: Although designed for outdoor use, we advise to storing Ethimo cushions indoors when not in use. Approximate net product weight: 2kg
