Description

Warm white aluminium frame outdoor stacking dining chair.
A fabulous lightweight outdoor metal chair for balcony dining or garden areas, the Infinity Dining Armchair gives literally endless possibilities for a fresco style.
Stacks for neat easy storage when not in use.
With warm white lightweight synthetic woven accents set against a rust free white aluminium frame it ensures a comfortable table experience for any outdoor space.
Why not mix and match with other items from the Ethimo Infinity outdoor collection from Houseology for the ultimate garden set up?
Approx product weight: 4kg
Assembly: No fully assembled.
Stackable: Stack up to 4 dining chairs together and cover with an Ethimo 4 Chair Rain Cover between uses - sold separately.
Care: Weather-resistant, this dining chair is specifically developed for outdoor use however we recommend storing indoors when not in use.
Contact us: Purchase rain covers separately via our customer service team.
