### Description

Triple-scale, giant wall-mounted Anglepoise 1227 outdoor lamp with gloss finish.

Channel an inviting illumination in your outdoor living space with the Anglepoise Original 1227 Giant Outdoor Wall Mounted Lamp - Gloss Finish.

Originally designed as a classic architectural-inspired desk light in the 1930s, this unique designer garden wall light has been joyfully updated in a triple-scale wall light configuration, specifically for outdoor use.

Beautifully created from marine grade stainless steel, this unique contemporary outdoor wall light will bring a surge of colourful energy to your patio or terrace.

Accent with the Anglepoise oversized outdoor floor lamp for a layered fusion of designer style.

Features include:

- Marine-grade stainless steel gloss finish - in a choice of colours
- Aluminium shade, spacers, fork, arms, bridle and fork block
- Precision machine craftsmanship
- Stainless steel components and adjusting wheels
- Waterproof IP65 rated casing for light source
- Protective silicone rubber cable
- Constant spring technology exclusive to Anglepoise

Installation: This product is hardwired and does not come with a plug - it must be installed by a qualified electrical installer

Net product weight: 27kg

Light Source: Supplied with 13W A65 LED bulb (Life 15,000 hours) - also compatible with 1x E27 60W Max HAL bulb (not included)

Voltage: 220/240V, 50/60 Hz

Cable Length: 1000cm

Max Reach: 230cm (from wall to shade)

Custom colours are available, please contact customer services for further information.
