Description

Gunmetal side table with leather handle and cross stand. Complete your interior scheme with the Courchevel Side Table from Eichholtz.

Featuring a sleek gunmetal crossed base, the grey wool herringbone side table is finished perfectly with stud detailing and a black leather handle. Complete with a non-tempered glass top, this small side table is the perfect addition to your living or bedroom spaces.

Style with other elements from the Eichholtz collection at Houseology to complete your design aesthetic effortlessly.

Crafted with care from the expert craftsmen at Eichholtz, each piece is to be celebrated as unique, as no two Courchevel side tables will be exactly alike.
