### Description

Glass enclosure fire screen protector for Happy Cocooning rectangular/square fire pits.

Accessorise your Happy Cocooning Fire Pit in style with the Happy Cocooning Glass Screen Kit.

Comprising four glass panels with stainless steel fixings, this contemporary fire screen gives extra peace of mind when entertaining around your fire outdoors.

Combine with a Happy Cocooning Fire Pit to prevent smoke and sparks at your next al fresco soiree!

Compatible with all square and rectangular fire pits/fire pit tables of the Houseology Happy Cocooning collection.

Light self-assembly required.
