Description

Outdoor griddle plate with thermometer lid and tripod stand. Sizzle up an al fresco storm with the Happy Cocooning Griddle Plate. Elevated by a tripod stand, this cast iron griddle plate is perfect for giving steak, chicken and vegetables a seared, char-grilled effect. Simply combine with the Happy Cocooning fire pits from the Houseology fire pit collection and keep an eye on the temperature with this stylish griddle plate's temperature control, handled lid, Please note: This is not suitable for use on in-built gas burners. Warning: Always remove Happy Cocooning ceramic bark logs before using the griddle plate.
