Colour : Cream  
Material : 100% Viscose Pile

### Description

Light sand 100% viscose pile rug with Brooklyn tile design. Channel dimension into your interior space with the Eichholtz Harris Carpet. Offering generous floor covering for your open-plan space or dining room interior, this luxurious carpet features a stunning antique Brooklyn tile inspired design. Indented subtly into the 100% viscose pile, the carpet is light sand in colour with the tiled pattern creating a gentle contrast. Combine with Eichholtz designer furniture and lighting from the Houseology homeware collection to complete your interior scheme in style. Please note: Due to the artisan production process and materials used, every rug is completely unique with no two carpets exactly alike.
