Description

Solid oak low level bar stool with oak veneer seat, available in a choice of finishes.

Channel the minimalist appeal of the NORR11 NY11 Bar Chair Low 75cm into your entertaining space.

A contemporary interpretation of a classic design, this designer bar stool takes inspiration from the Modernist chairs found in Denmark's 20th century school classrooms.

Streamlined with a functional design, this sleek low level bar stool features a solid oak construction with comfortable oak veneer seat pad. Presented in a choice of natural and stained finishes, NY11 achieves a unified hit of Scandinavian style which will complement both classic and contemporary settings alike.

Explore the Houseology NORR11 designer furniture collection to complete your aesthetic in style.

Please note: Due to the natural materials and handcrafted production process used, each item is distinctively unique every time.
