### Description

Solid oak veneer upholstered lounge chair with quilted wool upholstery. Channel a gentle texture into the heart of your home with the NORR11 Mammoth Chair Fluffy Wool. Taking style cues from Mid Century Modern style, this high back lounge chair features a solid oak construction with oak veneer seat and back. Sumptuously soft yet durably functional, this designer lounge chair really stands out from the style crowd with its quilted wool upholstery - available in a choice of smart colourways. Combine with an accenting NORR11 Mammoth Ottoman (sold separately) to create a peaceful place to retreat after a long day on your feet. For a layered fusion of designer style, explore the NORR11 at Houseology collection to complete your space in style. Please note: Due to the natural materials and handcrafted production used, each chair is made to order and is distinctively unique every time.
