Description

Super large brass and aluminium contemporary pendant lamp.
Create a dynamic illumination with the NORR11 Cloche Three Pendant Lamp - Brass.

Inspired by 19th century French cloche hats, this inviting designer pendant light is welcoming with a minimalist expression.

Great as a hang alone statement or grouped together in a striking installation, Cloche is turned from strong aluminium and presented in a choice of colourways.

Elevated from a round ceiling rose and strong wire black sheathed fabric cable, the saucer shaped lamp head then features a brushed brass inner which reflects light, creating a gorgeous ambience in your chosen scheme.

Find further style inspiration in the Houseology NORR11 collection for a fine fusion of timeless designer style.

Light source: 1x E27 60W Max bulb required (not included)

Cable length: 180cm
