### Description

Angular oak leaning floor mirror from Skagerak.  
Reflect the beauty of your Scandic interior space with the Skagerak Georg Mirror.

Skagerak are all about modern, cool, Nordic furniture and the Georg Mirror is testament to their design philosophy.

Specifically developed for the hall or bedroom, this stunning mirror is simplistic in form, suspended by two oak pedestals, available in a choice of colourways.

Skagerak products are strengthened by the principles of simplistic Scandinavian design and are created with nature in mind. This perfect combination makes the Georg perfect for injecting timeless style into any interior.

Made from responsibly sourced materials, this sleek addition will inject a practical and environmentally friendly urban style into your interior space.
