### Description

Rattan wicker and white painted mahogany bar stool.  
Impress your guests at your next stylish soiree with the Riviera Maison Beecham Bar Stool.  
A rustic beauty for classic and contemporary entertaining, this unique bar stool features a white painted mahogany wooden frame with comfortable foot rest.  
Promoting lasting comfort, the natural rattan wicker back and seat is then complemented with a hidden cushion below the wicker, encouraging your guests to mingle longer and party into the early hours in style.  
Complement with a designer bar table from the Houseology Riviera Maison collection to complete your aesthetic in style.  
Please note: Due to the natural production process and materials used, each item is unique and features a rustic, artisan painted appearance.
