A striking designer mirror, this contemporary interpretation of retro sunburst mirrors is the perfect accent for classic and modern design schemes.

Great for creating a sense of interior drama, its silver finish feature frame interlaces together echoing the appearance of leaning flower stems in a breezing wildflower meadow.

A round glass mirrored inner completes the design in style, providing the perfect appearance check in your entrance hallway before you set out for the day ahead.

Complement with accenting designer furniture and lighting from the Houseology RV Astley collection to complete the aesthetic in style.
