Description

Distressed bronze leaf curved rectangular shaped mirror.

Accent the beauty of your home interior scheme with the RV Astley Coco Distressed Bronze Finish Mirror.

A charming alternative to traditional rectangular mirrors, this sculptural design piece features an elegantly curving distressed bronze frame. Lovely for classic and contemporary interiors, Coco exudes timeless glamour and creates a lovely conversation piece in your interior design scheme.

Creating a two dimensional optical illusion, the unique curved bronze frame promotes a dynamic depth as the accenting glass mirror pane elevates the feeling of space in your home interior scheme.

Complement with RV Astley furniture and exquisite designer lighting from the Houseology RV Astley collection to complete your interior space in style.

Please note: Due to the handmade production process and materials used, each item is unique every time with no two exactly alike.
