Description

Round mottled silver leaf finish mirror with sculptural wave frame. Channel timeless sophistication into your home interior scheme with the RV Astley Orin Wave Mirror.

Inspired by the luxury silhouettes and finishes of Art Deco mirrors, this unique designer mirror exudes a feeling of restrained opulence.

Great for classic and contemporary interior spaces, the mirror is hand sculpted with a round mottled silver leaf finish, making this luxury mirror really stand out from the style crowd.

Creating an optical illusion, the waved effect of the frame emanates the mirror from the wall, creating a captivating focal point.

Complement with designer furniture from the Houseology RV Astley collection to complete the aesthetic in style.

Please note: This mirror is handcrafted and is completely unique every time, making this a unique style statement for your style-conscious space.
