Description

Nickel table lamp with charcoal grey fabric shade.
Channel an alluring ambience into the heart of your interior design scheme with the RV Astley Serena Table Lamp.
Classic with a modern twist, this polished brass table lamp features a reflective classically shaped spindle base.
Enhancing your interior surroundings instantly, the luxury aesthetic is complete with a charcoal grey fabric drum lamp shade.
Lovely for the hallway or bedroom, we love the idea of placing this table lamp next to a comfortable designer armchair to create a peaceful retreat after a long day on our feet.
Explore the Houseology RV Astley collection for accenting designer lighting and luxury homewares to complete the aesthetic in style.
Please note: Due to the artisan production process and materials used, each table lamp is distinctively unique every time.
Requires 1x E14 bulb (not included)
