Description

Polished nickel table lamp with polished nickel sculptural base. Add a new dimension to your interior design scheme with the RV Astley Roma Table Lamp. Inspired by engineered suspension systems found in contemporary architecture, this unique table lamp offers an unusual sculptural base for your chosen space. Sculpted from polished nickel, narrow and broader struts form an X-shaped configuration, steadied in place by an accented nickel rectangular base plate. Accented by a grey rectangular lamp shade, Roma allows the beauty of your interior surroundings to filter through as an ambient glow fills the heart of your home. Please note: Due to the natural production process and materials used, each item is unique with no two exactly alike. Light bulb is not included.
