A unique embodiment of sculptural modernity, the lamp features a twisted coil base with an organic expression which allows the beauty of your existing design scheme to reflect and filter through.

Steadied in place with a cubed nickel base plate, a neutral drum lamp shade completes the aesthetic in style, offering a welcoming contrast. Complement with RV Astley furniture and a luxury table lamp from the Houseology RV Astley collection to complete your interior scheme in style.

Please note: Due to the handmade nature of this product and bespoke lamp base, each table lamp is unique every time with no two exactly alike.
