Description

Polished nickel tripod floor lamp by RV Astley.
Add the final flourishes to your home interior scheme with the RV Astley Arlo Tripod Floor Lamp.
Exquisitely sculpted by the experts at RV Astley, this contemporary tripod floor lamp takes style inspiration from the lighting schemes of boutique hotel interiors.
A stylish accent for classic and contemporary interior spaces, this RV Astley floor lamp features a distinctive polished nickel tripod base and contrasting monochrome drum lampshade with white inner and black outer.
Use it to channel an ambient light into your lounge or bedroom and complement with accenting designer furniture from the Houseology RV Astley collection to complete the aesthetic in style.
Please note: Handmade to order, each floor lamp is unique every time with no two exactly alike.
Light bulb is not included.
Shade width: 60cm
Base width: 55cm
Overall height: 168cm
