### Description

Polished nickel table lamp with clear effect base and black velvet shade. - Add the final flourishes to your home interior space with the Eichholtz Elba Table Lamp.

A welcome style statement for classic and contemporary interior spaces, Elba takes style cues from antique pillar table lamps.

Updated for contemporary living, the pillar lamp base has been reinterpreted with a unique clear acrylic exterior, elevated in style by a sophisticated polished nickel plinth base.

Encouraging a radiant illumination and alluring interior ambience, this luxury table lamp is complete with an inviting round French drum lampshade with black velvet finish.

Complement with designer furniture from the Houseology Eichholtz collection for a fine fusion of designer style.

Please note: Due to the artisan production process and materials used, each table lamp is unique every time with no two exactly the same.

Requires 1x E27 40W Max light bulb (not included)
