Description

Sculptural & Tradition chair with Cognac Silk Leather upholstery. Channel the sculptural modernity of the & Tradition Catch Chair JH1 – Cognac Silk Leather into your home interior space. A playful design, this contemporary armchair features a shell-like appearance with Serpentine lines and 'literal limbs' creating a free-flowing silhouette with a light expression. Moulded foam cushioning offers unrivalled comfort as a Cognac Silk Aniline Leather upholstery warms the modern aesthetic. Made to last, the chair offers ergonomic support and is complete with hand sculpted solid oak legs and black stained finish. Use as an alternative to an office chair or add to your lounge to complete your living room designer furniture arrangement. Not quite the right colour? This chair comes in a choice of fabrics and colourways, contact our experienced customer service team to find the perfect match.
