### Description

Set of three clear glass globe ornaments with brass and granite bases. Add dimension to your interior scheme with the Eichholtz Divani Object Set of 3.

Steadied upon an antique brass and granite base, this set of three glass globes are the perfect accent to complete your interior in style.

Mouth blown by skilled artisans, the globes graduated in size as their rippled exteriors allow natural light to reflect and filter through into your interior surroundings.

Group together on a designer tray on your ottoman or console table and combine with accenting designer furniture from the Houseology Eichholtz collection for a fine fusion of designer style.

Please note: Handmade to order, each item is unique with no two exactly alike.
