with faceted glass
EI6608

Dimensions
Height: 85cm

Colour : Silver
Material : Nickel & Glass

Description

Medium sized polished nickel lantern pendant light with faceted glass. Illuminate the beauty of your interior surroundings with the Eichholtz Owen Lantern - Medium.

Inspired by the elegance of antique light fittings, this polished nickel designer lighting solution is the perfect accent to add a touch of glamour to your home.

Exuding restrained opulence, it is handcrafted with an elegant heptagonal polished nickel cage frame.

Bevelled glass inserts allow the radiance inside to emanate into your chosen space as 4x E14 bulb light fittings nestle inside.

Complement with candle filament light bulbs (not included) to complete the aesthetic in style.

Requires 4 x E14 40W Max bulbs (not included).

Approximate net product weight: 33kg

150cm suspension chain is included.

This product is extremely heavy and requires professional installation.
