Description

Rectangular rope and rattan wicker log storage basket.

Create an inviting focal point in your living room interior space with the Garden Trading Rope & Rattan Log Basket.

Beautifully handmade by skilled artisans, this log basket is rectangular in shape and features a sturdy wicker rattan construction with rope trim and base border.

Complete with 'logs' stamped motif, this rustic-meets-modern storage solution provides the perfect resting place for kindling and wood logs by the fire.

Divided into two sections use the large section to the left for logs and the narrow section for newspaper and kindling.

Please note: This product is for indoor use only.
