Description

Giant lightweight rattan log basket from Garden Trading. Spend more time by the fire with the Garden Trading Giant Rattan Log Storage Basket. Perfect for creating a welcoming focal point aside your fireplace, this extra-large, lightweight storage basket forms the perfect storage place for logs by the fire. With two handles for easy lifting, the woven wicker rattan exterior channels a rustic modernity into classic and contemporary homes. Complement with designer furniture and fire tools from the Houseology Garden Trading collection to complete your aesthetic in style. Please note: Handmade to order, each item is unique every time with no two exactly alike.
