Description

Dark grey and brown long-haired faux fur throw.
Channel a little extra warmth into lounge or bedrooms with the Winter Home Seafox Faux Fur Throw 140x200cm.
Sculpted from a sumptuously soft combination of plaid yarn and natural fibres, this Scandinavian-inspired luxury throw is the perfect companion for cold winter nights.
Featuring a unique faux fur aesthetic every time, each throw is adorned in tones of gentle grey, dark brown with subtle accents of light ecru.
Reversing to a smooth off-white reverse with Winter Home motif for authenticity, Seafox will look fabulously draped on your lounge armchair or folded on the foot of your bed to complete your luxury bed linen in style.
Accent the look with a designer faux fur cushion from the Houseology Winter Home collection for a fine fusion of designer style.
