Colour : White  
Material : Opal Acrylic, Brushed Brass, Gold Fabric Cable, Brushed Brass Ceiling Rose

### Description

Opaque spherical pendant light with crescent-shaped brushed brass fascia.  
Embrace the restrained opulence of the Lee Broom Crescent Pendant Light.  
Taking style cues from classic globe light fittings, this luxury pendant light has been reinterpreted, adding a touch of glamour to contemporary environments.  
Starting as an opaque acrylic globe, the spherical shade is sensationally spliced in half to reveal a crescent-shaped facade.  
Glistening brushed brass then adorns the fascia, channelling a marvellously metallic modernity.  
Suspended from 2m suspension cable in a gold colourway, Crescent channels an atmospheric ambience once lit.  
Create a fine fusion of designer style by combining with other elements of the Lee Broom Crescent designer lighting collection.  
Hang alone or cluster together for maximum visual impact.  
Light Source: Supplied with 1x E27 LED bulb 13W long life 1055lm 2800k warm white.  
Cable length: 2m with brushed brass ceiling rose  
Approximate weight: 2kg
