Description

Luxurious bolard black velvet upholstered 2-seater sofa with curved back and brass feet.

Invite the graceful curves of the Eichholtz Esmeralda Bolard Black Sofa into your lounge interior space.

Featuring formal yet relaxed proportions, this unique curved back contemporary sofa features an opulent black velvet upholstery.

Sumptuously soft to the touch, Bolard brings an unrivalled seating experience to the home with its indulgent foam and fibre inner and durable hardwood frame.

Offering the 'sink-in' feeling you've been longing for yet still with a comforting firmness, we especially love the curved back rest and gently indented seat pad, encouraging your guests to naturally lean into the graceful curves of the seat.

Complement with accenting designer furniture from the Houseology Eichholtz collection for a layered ambience of designer style.

Please note: Hand made to order, each sofa is unique every time with no two Esmeralda sofas exactly alike making this a bespoke furniture piece for the heart of your home.

Approximate product weight: 52kg
