Description

Powder coated aluminium rectangular outdoor dining table in a choice of pickled teak and ceramic stone finishes.

Create an inspirational setting for al fresco entertaining with the Ethimo Esedra Rectangular Dining Table Dark Grey.

Innovatively developed for outdoor use, this luxury dining table is designed by renowned Italian outdoor furniture icons.

Combining performance, function and style in harmony, Esedra offers a choice of sophisticated table top finishes.

Elevated by a powder coated aluminium frame, the brushed grey pickled teak option adds character to the design as the ceramic stone finishes offer a more minimalist alternative.

Combine with Ethimo outdoor dining chairs to complete your modern garden furniture arrangement for the ultimate outdoor dining experience. If you opt for the pickled teak table top, please note that as the wood ages over time it will develop a characterful silver patina effect.

This product is weather-resistant and should be stored indoors during extreme adverse weather conditions, high winds and hard winters.

Combine with a waterproof Ethimo Rain Cover (sold separately) for added peace of mind - please contact our customer service team for more information.

Approximate net product weight: 33kg (pickled teak) 43kg (ceramic stone)

Seating guide: Seats up to 8 guests.

Simple self assembly required.
