Description

Warm white aluminium frame rectangular outdoor dining table with a choice of natural teak and ceramic stone finishes.

Embrace the timeless elegance of the Ethimo Play Rectangular Dining Table Warm White.

Comprising a minimalist design, this luxury outdoor dining table brings a new dimension to al fresco entertaining spaces.

A fine example of the mixed materiality signature to the Ethimo brand, this large 6-8 seater dining table features a warm white aluminium frame with rectangular table top in a choice of finishes.

Slatted teak brings a welcome rusticity as accenting warm white aluminium creates a streamlined aesthetic.

Alternatively choose from a selection of ceramic stone finishes for a welcome contrast.

Using Ethimo's signature colour palette, this designer dining table will combine in harmony with accenting designer dining chairs and luxury garden furniture from the Ethimo outdoors collection.

This product is weather-resistant. We do recommend during extreme adverse weather conditions to store your luxury garden furniture indoors. For additional peace of mind - combine with the Ethimo Rain Cover (sold separately) - please contact our customer service team for more information.

Approximate net product weight: 62kg (teak top) 82kg (ceramic stone top) Simple self assembly required.

Seats 6-8 people.
