Description

Teak wood bistro table with laminated slate table top.
Channel the luxury of Parisian bistros into your balcony or terrace with the Les Jardins Tekura Square Bistro Table.

Uniform and minimalist with timeless appeal, this luxury outdoor bistro table features a robust teak wood frame with high pressure laminate slate table top.

Seating up to 4 guests comfortably, combine with designer dining chairs from the Houseology Les Jardins collection to complete the aesthetic in style.

Please note: Although this product is completely weatherproof and developed for outdoor use, we do recommend during extreme adverse weather conditions and hard winters to store your luxury garden furniture indoors.

Teak wood: As it ages over time, teak wood develops a unique silver grey patina effect aesthetic.

Approximate net product weight: 18.5kg

Light self assembly required.

Seats 2-4 people.
