### Description

Solid brass table lamp with conical shade and sculptural base. Invite the clean lines of the Dutchbone Brass Table Lamp into your home interior space. Inspired by iconic 20th century lighting silhouettes, Brass features an elegant solid brass construction. Fuss-free with a unique brass tubing base, this luxury table lamp allows the beauty of your interior surroundings and table top to serenely ascend to the fore. Encouraging a radiant ambience once lit, the cone shaped lamp head combines practicality and style - easily adjustable for your preferred lighting direction. Use alone for an instant focal point or combine Brass's metallic modernity with accenting additions from the Houseology Dutchbone collection to really unlock your inner designer. Light source: Requires 1x 25W Max E14 light bulb (not included) Wire length: 180cm black PVC cable with on/off switch on cord Approximate net product weight: 0.58kg
