### Description

Weathered oak herringbone wooden coffee table with zinc finish steel frame. Invite the rich rusticity of the Eichholtz La Varenne Coffee Table Weathered Oak 100 cm into your home. Inspired by the parquet inlaid wooden aesthetic of antique herringbone flooring, La Varenne features a unique chevron patterned table top. Sculpted from weathered oak with a rich depth and multi-tonal reclaimed texture, the square table top features an evenly proportioned low level storage shelf below. Strengthened by a steel frame with zinc finish for an industrial take on contemporary style, use to create a convivial focal point in lounge settings and store coffee table books and those pesky TV remotes below! Please note: Hand sculpted by skilled artisans each product is distinctively unique every time and the rich character of weathered oak creates a bespoke multi-tonal aesthetic every time. Approximate net product weight: 27kg
