Description

Reclaimed elm and iron desk with recess handle storage drawers.

Channel the rustic modernity of the Riviera Maison Shelter Island Office Desk into your home.

Sculpted by skilled artisans, Shelter Island takes inspiration from vintage classroom desks.

Reinterpreted for modern living, the desk features a streamlined industrial iron frame with characterful reclaimed elm table top.

Warm and inviting, the aesthetic of each table top features a unique wood grain structure and texture every time making this a bespoke addition for your home or office space.

Two recess handle storage drawers then complete the look providing ample storage for stationary and desktop accessories.

Unlock your inner designer and find more interior design inspiration in the Houseology Riviera Maison collection.
