### Description

Cashmere and wool blend plaid luxury throw with fringing.  
Warm the heart of your interior with the Winter Home Plaid Grace Cashmere Throw.  
Presented in a choice of pared-back colourways, this cashmere and wool blend throw brings sumptuous Scandic luxury to the everyday. Handwoven in state-of-the-art sewing workshops by skilled weavers, Grace invites simplicity, quality and effortless elegance into the everyday.  
Inspired by traditional Nordic textiles, this designer throw is created using two warp thread colours which are woven in a plaid pattern for a subtle sense of texture and dimension.  
Fringed edging then creates a playful contrast as a small Winter Home label motif guarantees authenticity.  
Layer on your luxury bed linen for a little extra warmth when the colder nights draw in or drape on a designer armchair for a touch of Nordic style.  
Care: The 20% cashmere and 80% wool composition is not machine washable. Professional dry clean only.
