Description

Silver grey seal faux fur cushion with plump cushion inner. Find the indulgent home accessory you've been searching for with the Winter Home Seal Silver Grey Full Faux Fur Cushion.

The perfect companion to stave off the winter chill, this luxury faux fur cushion is created using a unique polyester and synthetic fibre blend. With gently rounded corners for a welcoming profile, this light grey imitation fur cushion features undertones of silver for an opulent multi-tonal aesthetic.

Use to bring a little extra comfort to lounge seating areas or add to bed linen to accent your winter decor in style.

Cover: This faux fur cushion is created using an acetate and polyester blend.

Inner: Cushion inner included filled with dynamic siliconised fibres and 3D spring crimping.
