Description

Iona Crawford designer wallpaper with geometric peacock print pattern. - Scale up your wall decor with the Iona Crawford Ossian Wallpaper collection.

A unique expression of contemporary style, this designer wallpaper collection by Scottish designer Iona Crawford offers a feature wall focal point to remember!

Instead of displaying the elaborate fan plumage of peacock feathers, this dynamic minimalist-meets-maximalist design depicts the graceful neck of a peacock and his signature coiffed hair.

Repeated to create a kaleidoscopic effect, the geometric peacock pattern is brightly decorated in hues of blue and green, exerting Iona Crawford's unmistakable charm.

Achieving a timeless and directional aesthetic, this distinctive collection is perfect for Luxe interior schemes where it is sure to turn the heads of discerning guests to your home.

Each roll is presented in a choice of pearl smooth non woven and tactile fine suede vinyl options.

If you require wallpaper samples or you wish to tailor the wallpaper to suit your requirements - contact our customer service team.
