Description

Brass torch contemporary double wall light with tubular glass diffusers. - Illuminate dimly lit corridors with the graceful elegance of the Imagin Lighting Contemporary Wall Lamp - available exclusively online at Houseology.

Inspired by classic torch wall lamps, this designer double wall lamp features a refined contemporary design.

Fixed to a clean line brass frame, the brushed brass cylindrical lamp holders are topped with sophisticated tubular glass diffusers.

Nestling the lamp holders inside, each torch emanates a radiant and atmospheric ambience once lit.

Use alone for an instant focal point or install at either side of doorways or bedsides for a striking sense of style symmetry.

This product is hardwired - professional installation recommended.

Indoor use only - not suitable for outdoor or bathroom areas.

Light bulbs are not included.

Dimmable: No
