Description

Pale plywood case with minimalist dial and muted colour-block face. Revive vacant wall space with the Newgate Mr Clarke Clock. Mr Clarke's contemporary pale plywood case holds a modern dial with minimalist graphic numerals. The Scandinavian-style design is finished with a flat glass lens and linear baton hands. Available in a range of muted colour-block options, the Mr Clarke collection creates a contemporary focal point in any room, whether that's the kitchen, living room or office. Treat your interior or look to this streamlined addition as a stylish gift for the design lover you know.

Features:

- Pale plywood wall clock
 - Choice of pastel toned colourways
 - Graphic dial with metal hands and glass lens
- Net product weight: 1.5kg
