Description

Carrara marble tube designer LED wall light with a brushed brass finish - steel finish.
Heighten the feeling of sophistication in your interior the Lee Broom Tube Wall Light Marble.
Skillfully milled from a single piece of Carrara marble and finished at each end with brass bands, Tube contains a strip of LED bulbs resulting in what appears to be a solid length of warm glowing stone.
The unique veins of each piece of marble mean no two lights are exactly the same.
A handcrafted twist on the traditional fluorescent tube light, the collection is also available as a pendant Tube Light sold separately in the Houseology Lee Broom collection.
Install either horizontally or vertically.
Bulb: 1x internal LED strip, 30w, long life, 2700k warm white bulb included.
External LED driver is supplied - must be housed within wall cavity or similar space.
Hardwired - professional installation recommended.
Voltage: 220-240V
Suitable for indoor dry locations only.
Net product weight: 3.65kg
