### Description

Designer art deco style blue velvet armchair with scalloped backrest. Add the final flourish to your interior with the Houseology Collection Ordina Blue Velvet Armchair.

With its scalloped backrest this accent chair expresses glamorous art deco style.

The chair combines vibrant blue and warm gold tones with vintage lines for a luxurious motel Miami look.

The chair is upholstered with tactile velvet, with a smooth seat surface helping to accentuate the channel-tufted detail on the backrest.

Gold coloured legs made from solid birchwood are positioned at a slight angle.
